dwell with
prudence.

Hear; for I will
speak of excellent
things... Receive
my instruction, and
not silver; and
knowledge rather than
choice gold... Counsel is
mine, and sound wisdom:

*I am understanding; I have strength. By me kings reign,
and princes decree justice. I love
them that love me; and those that seek
me early shall find me. Riches and
honour are with me; yea, durable riches
and righteousness... The LORD
possessed me in the beginning of his way,
before his works of old. When he prepared
the heavens, I was there: when he set a
compass upon the face of the depth: When he
appointed the foundations of the earth: Then I
was by him, as one brought up with him: and I
was daily his delight, rejoicing always before him;
and my delights were with the sons of men. Now
therefore hearken unto me, O ye children: for
blessed are they
that keep my ways.*

By whom do kings reign?

*Blessed is the man that heareth me, watching daily at
my gates, waiting at the posts of my doors. For whoso
findeth me findeth life, and shall obtain favour of the
LORD. But he that sinneth against me wrongeth his own
soul: all they that hate me love death."*

Dear SDA friends around the world. Read all the boxes in this letter, then come back here and we'll talk about what's happening.

Faith: The Bible verse above reveals that by the Man "Wisdom" do kings reign. Then do kings reign by the man of sin? Or do they just think they do? Do they reign by his god? What is their bond of union behind the scenes? What does it have to do with prophecy? How does it affect us? What's going on? To what will it lead?

Pastor Jan: Are you ready? Here we go -

By me kings reign. I have strength. Those that seek me early shall find misery. Riches and honour are with me. All they that hate me love death.

“We visited an ancient fortress, which is built on a height a short distance from Torre Pellice. Here we found a large open space inclosed by walls within walls, also extensive buildings which were formerly used as a monastery. Within the inclosure is a cave. This we entered, and found ourselves in a room about eight feet square. From this room there were openings into two underground tunnels. One of these led down to the village, into a building formerly used as a convent; the other to a Catholic church in another part of the town. Here the secret workings of the mystery of iniquity had been carried on. Here many precious souls had lost their lives, and left their bones to testify of their faith. But the history of their sufferings will be made known only when every secret thing shall be revealed. The Judgment alone will bring to light the cruelties practiced in connection with these fortified heights.

“There is no question as to whose banner those ranked under who thus persecuted the saints. Their master, Satan, alone could instigate men to inflict such terrible cruelties, such intense sufferings, such excruciating agony, upon their fellow-men. Those ages of cruel restriction of liberty of conscience are now in the past; but, we inquire, how long before Satan will, through his devices, again bring upon God’s people a time of trouble? Satan is a deceiver, a murderer, and his power will be felt in the near future by those who love and fear God.

“If their voices could be heard, what a history the everlasting mountains surrounding these valleys could give of the sufferings of God’s people because of their faith! What a history of the visits of angels unrecognized by these Christian fugitives! Again and again have angels talked with men, as man speaketh with a friend, and led them to places of security. Again and again have the encouraging words of angels renewed the drooping spirits of the faithful, and, carrying their minds above the tops of the highest mountains, caused them to behold by faith the white robes, the crowns, the palm branches of victory, which the overcomers will receive when they surround the great white throne.

“As they climb the steep mountain paths, they have in mind, not the homes they have left, but they are looking for a home so high that the highest peak of the Alps cannot reach it, – a home with their heavenly Father in the mansions that Jesus has gone to prepare for them, from which they will never be driven. The bitter venom of the dragon cannot reach them there. Therefore they can well afford to leave their earthly treasures, to grope their way among dark and crooked paths, and to be inclosed in rocky chambers, away from the light of day, if by this means they can attain that home among the blest, – a home not made with hands, eternal in the heavens.

“In their lonely retreats they often met their Redeemer and conversed with Him, as did the two disciples on the way to Emmaus. He would there open to them the sublime truths of his word, and strengthen them in their determination not to put confidence in false guides, but to obey and worship Him only who made and governs the world, ‘He sees and knows everything,’ they continually repeated to themselves. ‘He will hear our prayers, and attend unto our wants. He who feedeth the ravens will not leave us to perish.’ [Remember those words. They will help you in the future.] Thus their words of faith cheered themselves and others, and their trials and perplexities only drove them nearer to God and increased their faith.” *Historical Sketches*, pp. 242, 243.

Hope: We all know that God has commissioned His remnant people to give the three angels’ messages to the world. Why do most church members refuse or neglect to give the third one? Why don’t many of them even know what it is?

Pastor Jan: There are a number of reasons. Here’s one – “Satan and his angels will appear on this earth as men, and will mingle with those of whom God’s Word says, ‘Some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils.’

“There will be seducing spirits and doctrines of devils in the midst of the church, and these evil influences will increase; but hold fast the beginning of your confidence firm unto the end.

“When these spiritualistic deceptions are revealed to be what they really are – the secret workings of evil spirits – those who have acted a part in them will become as men who have lost their minds.” 8MR 345.

There are a number of poor souls who have already lost their minds. One minister told his people not to give the third angel’s message because, he said, “it is not loving enough.” He thought that God has made a mistake, and it’s better to preach only “love.” He doesn’t know that that teaching is part of Rome’s counter-reformation. And he doesn’t know that God’s third angel’s message is love, and that those who have God’s love will give it. Another minister recently said that we don’t need the Bible any more, but the Holy Spirit will be our guide. Another minister said that it’s more important to preach than to study the Bible. The devil can’t stand the Bible. In one Sabbath school class I visited, they were nicely attacking the Spirit of Prophecy. The pastor was sitting there smiling. The next Sabbath they nicely attacked the Bible. The pastor was still smiling. Finally one dear lady lifted up her Bible and said, “If we don’t believe the word of God, we might as well all go home.” Praise God!

The testimony of Jesus tells us why giving the third angel’s message is so important now – “I then saw the third angel. Said my accompanying angel, ‘Fearful is his work. Awful is his mission. He is the angel that is to select the wheat from the tares, and seal, or bind, the wheat for the heavenly garner. These things should engross the whole mind, the whole attention.’” EW 117.

Winston Churchill, President FDR, and Stalin. All three men were 33rd degree Freemasons bound by oaths. Dr. Veith revealed that the various branches of masonry were taken over and controlled by the Jesuit order. The “History Channel” and other sources revealed that since the law of 50 year secrecy has expired, it is well known that FDR knew about the attack on Pearl Harbor. But the U.S. Constitution would not permit the U.S. to enter the war without provocation. Was a great calamity needed to manipulate society toward a masonic world government? That principle has been, and will continue to be worked to shape the minds of the masses toward contented serfdom in a modern fascist democracy for peace and safety, and the enforcement of the mark of the beast. The great masonic leader Albert Pike revealed that the world wars were masonically planned to produce enough fear in the people that they would permit a one world government. Rome’s plan was also to kill as many Protestants in northern and eastern Germany, Vietnam, Korea, Iraq, etc. as possible under the guise of fighting the enemy, and then turn Protestant Russia, East Germany, Vietnam, etc. into atheist, Communist states after the war to destroy what Protestants the war did not. Those things were accomplished. After years of hard atheism, a trade union would be used to get rid of Communism so that Catholicism could move in. The modern wars are for similar reasons in fulfillment of GC 565,566 which says that Rome’s goal is to “regain control of the world, re-start persecution, and undo all that Protestantism has done.” Who would suspect that papal leaders would secretly use atheism to work for them? Events are not happening by chance as the masses think. Like with Moses and the ungodly pharaoh of Egypt - for the correcting, purifying, blessing, and salvation of God’s people - by an infinite power behind the scenes - do kings reign.

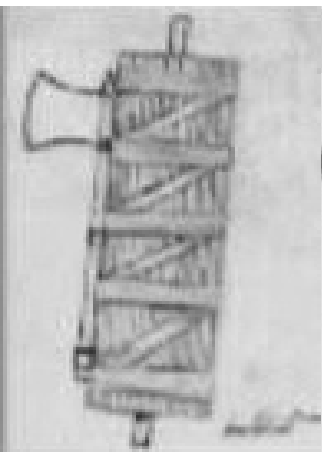

Exhibit #1 - What are these, and what do they have to do with us? You’re about to find out.

From these words, we see that time now is so short that the third message is a “sealing” message of love, which accomplishes far more in God’s last work of love than for people to just talk about “love.” Not many understand this, though we are in the end of the world. Just yesterday I heard a man say to a boy, “Jesus loves you.” The boy carelessly said, “I know that. I’ve heard it a thousand times. So what’s new?” To the dull masses, the third angel’s message is “what’s new.” It comes from God and is all wrapped up in Jesus. And Jesus is God {John 1:1-5.} And God is love.

In the church of Satan they sing hymns from Christian church hymnals and preach

“love.” One of the head witches, who later was saved out of there by the mighty power of our Lord Jesus said that in the church of Satan, the devil is represented as being very loving and kind. People’s minds are so dull with their diets and lifestyles that to preach to them only “love” {which they’ve heard for years} doesn’t get the attention of too many of them. Advertisers today work hard to get people’s attention. Everyone desires to love and to be loved. People do many things to get the attention of others in order to hopefully get “love.” I know one girl who threw rocks at a boy to get his attention.

Faith: So what happened?

Pastor Jan: It got his attention.

Hope: So how did it turn out?

Exhibit #3 - Do kings bow? Do they reign by him? Can you guess why world leaders have been coming to see the pope? Did he give him and his dear wife any instructions?

Pastor Jan: Now they have quite a few grandchildren. With people’s T.V. minds, it’s harder for God to get their attention to show them His tender love. You already know about the man who was starving for love, but the more he tried to get it, the more people ignored him. He didn’t know that he could find Him who is “Wisdom,” and Him who is “Love” in God’s word. Hearing about “love” didn’t help him. He gave himself to the devil with the hopes of being loved. But still no one paid him much attention. He finally killed a man and went and told a friend who worked in the meat department of a grocery store, hoping that he would get some attention, but his friend didn’t even believe him. In desperation, he went and cut the man’s head off and walked up and down with the bloody head in the grocery store, joyfully showing it to the customers as they pushed their shopping carts. As the people went screaming out of the grocery store, he felt like he was finally getting some attention. He then went and put the bloody head in with the meat behind the glass of the meat counter so people could look at it as they were buying meat.

Exhibit #4

‘And we indeed justly,’ he moans; ‘for we receive the due reward of our deeds: but this Man hath done nothing amiss.’

“When condemned for his crime, the thief had become hopeless and despairing; but strange, tender thoughts now spring up. He calls to mind all he has heard of Jesus, how He has healed the sick and pardoned sin. He has heard the words of those who believed in Jesus and followed Him weeping. He has seen and read the title above the Saviour’s head. He has heard the passers-by repeat it, some with grieved, quivering lips, others with jesting and mockery. The Holy Spirit illuminates his mind, and little by little the chain of evidence is joined together. In Jesus, bruised, mocked, and hanging upon the cross, he sees the Lamb of God, that taketh away the sin of the world. Hope is mingled with anguish in his voice as the helpless, dying soul casts himself upon a dying Saviour. ‘Lord, remember me,’ he cries, ‘when Thou comest into Thy kingdom.’ [Jesus doesn’t wait even one minute.] Quickly the answer came. Soft and melodious the tone, full of love, compassion, and power the words: Verily I say unto thee today, Thou shalt be with Me in paradise. [Praise God!]

“For long hours of agony, reviling and mockery have fallen upon the ears of Jesus. As He hangs upon the cross, there floats up to Him still the sound of jeers and curses... How grateful then to the Saviour was the utterance of faith and love from the dying thief! While the leading Jews deny Him, and even the disciples doubt His divinity, the poor thief, upon the brink of eternity, calls Jesus Lord. Many were ready to call Him Lord when He wrought miracles, and after He had risen from the grave; but none acknowledged Him as He hung dying upon the cross save the penitent thief who was saved at the eleventh hour.” DA 750, 751. Praise God!

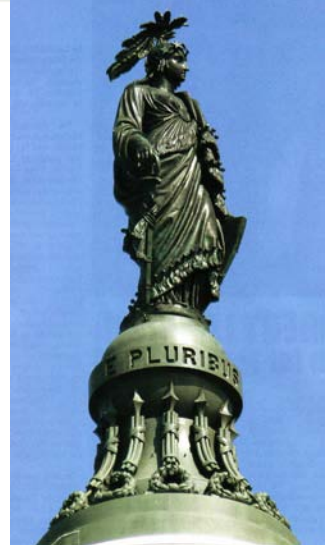

Exhibit #2 - Do you see the fasces? What is this?

The police soon gave him some attention and love. I don’t know how it turned out, but if the judge did what the Bible says to do, then he also gave the man more love than he had had in a long time by sentencing him to death. {Genesis 9:5,6.}

Charity: By sentencing the man to death according to Genesis 9, how would the judge be showing the man more love than the preachers had done?

Pastor Jan: Because love is made up of both justice and mercy. It takes both. After a lifetime of not appreciating mercy, and being controlled by the devil, to receive justice would show him real “love,” and would place his mind in the same condition as one of the thieves on the cross. Watch closely - “The dying thieves have no longer anything to fear from man. But upon one of them presses the conviction that there is a God to fear, a future to cause him to tremble. And now, all sin-polluted as it is, his life history is about to close.

Exhibit #5

If a person needs to receive more justice in order to see God's love, our kind Father will give him that. If a person most needs to see mercy to know God's love, our kind Father will show him that. But he will see both, for it takes both to compose love. At the cross of Calvary, they both kissed each other {Ps. 85:10}.

Exhibit #6

So God knows what He is doing by giving us the three angels' messages to give to the world. It's all wrapped up in Jesus and is the only message that can penetrate the dull, T.V. minds to teach the people the real love of God, and keep them from receiving the mark of the beast. Rev. 14 reveals that it's the very message that the 144,000 give. It's the perfect message for today. It's "present truth." I praise God that the devil can't stop it! Those who refuse to give it because they don't want to be persecuted will end up with those who reject it. Many church members and preachers in the days of the prophet didn't give it in order to prevent being persecuted.

Charity: So what happened?

Pastor Jan: They didn't get persecuted. And Jesus didn't come. And they're all dead. They're dead like the Israelites whose carcasses fell in the wilderness before they got to the promised land. And the crowns that were for many of them, passed on to our day. I choose to not lose the crown that God wants me to have as a free gift - paid for by the blood of Jesus. I'm sure you feel the same. Don't lose your crown! The crown on our heads should have been on someone else's head, and Jesus should have come over 100 years ago, and we should have never been born. I praise God that we were born. It tells us that God loves all and that He is "no respecter of persons." Will our carcasses "fall in the wilderness?" I praise God that with or without us, the whole world will soon get that message, because God Himself is going to cut the work "short in righteousness" by His

almighty power. May dear Jesus help us. The prophet continues -

"I saw that the strong hand of the enemy is set against the work of God, and the help and strength of everyone who loves the cause of truth should be enlisted. All should stand as one, united in the work. Every energy of the soul should be awake, for what is done must be done quickly." EW 117, 118. Notice the words "everyone who loves the cause of truth." That includes people in every kind of SDA group that exists. It includes children, and saints in any condition according to their strength; and you and me. Praise God!

"Prophecy is fast fulfilling. More, much more, should be said about these tremendously important subjects. The day is at hand when the destiny of souls will be fixed forever." *Last Day Events*, 16.

Faith: In Proverbs 8, it says, "By me kings reign." In the last letter, you gave the quote that says that Fascism is the form of government that best suites the workings of the Papacy. Please talk about 1) the two great forces that worked to set up our nation; 2) what Fascism and the secret societies of masonry have to do with it; 3) how papal inspired Fascism will affect us now; and 4) to what it will lead.

Pastor Jan: Here are some quotes. Franz von Papen was the man who arranged for a concordat between Germany and the Vatican, and helped bring poor Adolf to power. He said, "The third Reich [Fascist] is the first power which not only recognizes, but puts into practice the high principles of the Papacy." *Der Voelkischer Beobachter*, July 14, 1934. What are those "high principles?"

Hitler said, "As for the Jews, I am just carrying on with the same policy which the Catholic church has adopted for fifteen hundred years... Perhaps I am doing Christianity a great service." *The Nazi Persecution of Churches*, p. 162, by J.S. Conway.

"Hitler's rise to power would have been impossible without the secret financial support of I.G. Farben." *World Without Cancer*, pp. 286,287, by E. Griffin.

I.G. Farben is the great pharmaceutical company for which Pope John Paul II used to work [as a young man] making poison gas for the Nazi death camps. I.G. Farben owns Monsanto - which is genetically mutating the seeds which grow a large percentage of the crops in our nation, and much of the food you get from the grocery store - with human genes, mouse genes, pig genes, and anything that can improve their power. I.G. Farben in turn is controlled by the Vatican - which owns a large part of their stock, and is doing what the papal Fascist state desires to be done in Protestant lands in fulfillment of the Jesuit oath to kill and destroy "these infamous heretics" in any way possible. In the Jesuit oath, it says that they will do it secretly when they can. If that doesn't work, they will do it openly. Most of their work is largely done indirectly and unknown to the masses.

Some examples of this secret work are seen in these quotes -

1) "Alas! I knew they [the Jesuits] would poison me; but I did not expect to die in so slow and cruel a manner." Pope Clement XIV, 1773.

2) "Wherever a totalitarian movement erupts, whether Communist or Nazi [i.e. fascism], a Jesuit can be found in the role of 'adviser' or leader. In Cuba it was Castro's Jesuit Father Armando Llorente." Emanuel Josephson, in *Codeword Barbelon*.

3) "The great strength of our [Jesuit] Order lies in its concealment; let it never appear in any place in its own name, but always concealed by another name, and another occupation. None is fitter than the lower degrees of Freemasonry; the public is accustomed to it, expects little from it, and therefore takes little notice of it... The Roman Catholic Church is the largest Secret Society in the World, beside which Freemasonry is but a pigmy!" Jesuit Lord Robert Montagu, in *Codeword Barbelon*.

4) "The [papal] serpent has already commenced his coil about our limbs, and the lethargy of his poison is creeping over us. We must awake or we are lost." S. F. B. Morse - the inventor of Morse code.

5) "Rome is confident of her prey. The enterprise is begun. It cannot be withstood. First America, then the world." Jesuit Edmund Campion in *Codeword Barbelon*.

Here's Sonia Sotomayore, the newest Roman Catholic justice of the U.S. Supreme Court. Beside her is her friend, Jesuit "Father" A. O'Hare. A Jesuit priest would be valuable to help you know what to do. Of the nine members of the Supreme Court, 6 are Roman Catholic, and how many Protestants are there now? One. Does it tell you anything? The prophet of God cries out - "God's word has given warning of the impending danger; let this be unheeded, and the Protestant world will learn what the purposes of Rome really are, only when it is too late to escape the snare. She is silently growing into power. Her doctrines are exerting their influence in legislative halls, in the churches, and in the hearts of men. She is piling up her lofty and massive structures in the secret recesses of which her former persecutions will be repeated. Stealthily and unsuspectingly she is strengthening her forces to further her own ends when the time shall come for her to strike. All that she desires is vantage ground, and this is already being given her. We shall soon see and shall feel what the purpose of the Roman element is." GC 581.

Exhibit #6

6) "It is a little known fact that Hitler, Mussolini, Marx, and Stalin were all trained by the Jesuits. This fact is too often ignored by historians and is very important to understand. All of these men would later become the vassals of the school of Loyola, after having been under the blighting influence of the Jesuits." *The Sons of Loyola and Their Plans for World Domination*.

7) "We came in like lambs and will rule like wolves. We shall be expelled like dogs and return like eagles." Jesuit Francesco Borgia in *Codeword Barbelon*. He was the third Jesuit General. Another name for the Jesuit General is the "Black Pope." He secretly tells the white pope what to do, and as the ruler of the Jesuits, he controls the Vatican, unknown to most Catholics. The Jesuits have indirectly taken control of other papal and masonic orders, as well as other organizations such as the mafia, pharmaceutical companies, supermarket chains, publishing chains, real estate conglomerates, banking conglomerates, insurance conglomerates, farming conglomerates, the U.S. senate, the U.S. House of Representatives, the Supreme Court, the Pentagon, the FBI, the CIA, etc. No wonder Sister White said what she did in GC 581!

Dear Pastor Jan,
I nearly gave up the struggle because of the spiritual pressure that was on me. This pressure over me was heavier than I could bear, but I thank God for your book "National Sunday Law" which finally got me freedom from all these mental pressures by throwing light into the true way of our Father God Almighty. A friend gave me the book. After reading it, I felt a great relief. It gave me the power to arise and be strong in the Lord so as to keep the enemies of the Lord down. Now I feel in my spirit that I will be a man of God. I thank our Lord Jesus that He is wonderfully using you for His truth. Your book "National Sunday Law" has come to redeem people from straying from God and His truth by the tricky works of Rome. May God's blessings be upon you all. Amen.

Vennita's Corner: "Just in proportion to the excellence of God is the heinous character of sin..." OHC 81

Faith: What is that?

Pastor Jan: Here it is - "God's word has given warning of the impending danger; let this be unheeded, and the Protestant world will learn what the purposes of Rome really are, only when it is too late to escape the snare." The enforcement of the mark of the beast is their goal.

Hope: So will the Fascism that our nation is being moved into be the form of government that best suites the papacy in which she can work with the Protestant world behind the scenes to enforce her "mark?" Is that how the growing papal Fascism will affect us?

Pastor Jan: People can see things moving in that direction.

Charity: What about the two great forces that were striving for the mastery when our nation was being set up? One was the Christian influence. Was the other one the papal occult masonic, Fascist

influence as seen in the fasces in the exhibits in this letter? Was it a similar Fascism as what is again trying to take over our nation now?

Pastor Jan: There are only two forces in the world. "Fasces" is the plural form of the Latin word fascis: It means "bundle." In exhibit #1, you see a fasces, which is a bundle of rods bound together by cords. In ancient Rome, it was the insignia of official authority. It was carried by certain rulers, and was characterized by an ax head projecting from a bundle of elm or birch rods about 5 feet long and tied together with a red strap. It symbolized penal power. Fascism, unlike Communism, gives some freedoms to its citizens, thus keeping them as happy as possible. Like in Germany, the enemies of the state are wiped out, but obedient citizens survive for the benefit of the ruling class.

When a Roman leader would have a victory, he would come to Vatican hill, {where a pagan temple then was} and lay his fasces down there. Mussolini used it, trying to bring back the glory of ancient Rome. While Fascism wants the people to be happy servants of the state, there is no room for God's message. That's what the devil mainly cares about anyway. He doesn't always torture his people to death. It doesn't bother him too much if the people are happy on their way to hell. He tortures enough people each day to keep himself occupied.

In exhibit #2, you see fasces holding up the pedestal upon which the lady is standing on the top of the Capitol building in Washington D.C. On the pedestal are the words E. Pluribus Unim = all one. This design was masonically planned, and was laid and built by Jesuit controlled masons who were Fascists. Rome's "all one" is different than God's "all one" in finishing His work, that we read about.

In exhibit #3, we see the President bowing to the Pope. President Reagan said that we should honor him by obeying him. President Bush said the same. Georgetown University Jesuit President Clinton said, "Your holiness, we honor you."

Dear Jan Marcussen,
By accident, I came across your book "National Sunday Law." It was very eye opening. I was a Sunday worshiper, but after reading your book, I am truly convinced that it was wrong. I've been searching for the truth for a long time. Thank you for this blessed book. I will be ordering as many of these as I can because there are many people that I must give them to. I wish I had a knowledge of this truth before. Thank you! C.S.

In exhibit #4, we see the chamber of the U.S. Congress where the President gave his speech on the health reform bill when Congressman Joe Wilson called out, "You lie." On each side of the pulpit are seen vertical fasces, and the back of the gold colored chair is shaped like the blade of the fascist ax.

In exhibit #5, we see the Lincoln Memorial. The masonic builders made fasces for the arm rests of the chair that his arms are resting on. I'm sure that President Lincoln had nothing to do with Fascism. As you know from the book *50 Years in the Church of Rome*, he warned against what he called "the sinister influence of the Jesuits" and said that the civil war was caused by them, along with the priests and nuns.

In exhibit #6, we see the masonically designed statue of George Washington with his arm and cloak on a fasces. So we see that Fascist forces of Rome were planning on making this a Fascist nation from the very start. God intervened.

In exhibit #7, we see the torch in the hand of the Statue of Liberty made from fasces. Masons in France made the stature and sent it to us as a gift. I've been up inside the torch. I remember looking out the windows of it at Manhattan. I don't

care if papal masonic Fascists planned it to be a symbol of their secret work for Rome to control America. Like others, I look at it as a symbol of freedom - as "one nation under God, indivisible, with liberty and justice for all." We know what Bible prophecy says that that "one nation" will do. But I'd rather be here than anywhere in the world. I don't plan to go out of the U.S. any more until Jesus comes.

One historian said that "until a person recognizes that two forces have been trying to shape our nation, he can't understand anything that is going on."

Faith: What will it all lead to?

Pastor Jan: It will lead to this -

“In the plan of redemption there are heights and depths that eternity itself can never exhaust, marvels into which the angels desire to look. The redeemed only, of all created beings, have in their own experience known the actual conflict with sin; they have wrought with Christ, and, as even the angels could not do, have entered into the fellowship of His sufferings. Will they have no testimony as to the science of redemption – nothing that will be of worth to unfallen beings?”

“In our life here, earthly, sin-restricted though it is, the greatest joy and the highest education are in service. And in the future state, untrammelled by the limitations of sinful humanity, it is in service that our greatest joy and our highest education will be found – witnessing, and ever as we witness learning anew ‘the riches of the

Dear A. Jan Marcussen,
I received your book “National Sunday Law” in the mail, but being a student with much reading to do, I put it on the shelf. I did go to church, but I found it rather dull and hypocritical. But one day, I found your book and started reading it. I read it several times. It was shocking, yet, for the first time, it all made sense to me. Since reading “National Sunday Law,” I have renewed my relationship with Christ and I now live in a way which honors Him. I’m also sharing this book with others in hopes that their eyes will be opened. Thank you for writing such an incredible book! It’s just what the people need! J.S.

Dear Pastor Marcussen,
I never even heard of no Seventh-day Adventist before I got locked up. Didn’t know nothing about the Sabbath day of God. Well, after reading your book “National Sunday Law,” it’s like a whole world has opened up to me. I now have a much better understanding of the Bible. I pass your monthly letters on to others as I study them, but I try to make sure I get them back. I end now, but I just wanted to let you know that I’m VERILY THANKFUL to God! I’m in prison, but I am free! Ronald

Dear Jan Marcussen,
I’m writing to you Sir because God has saved my life through your book “National Sunday Law” as well as your newsletters. I’ve always known that there was a great lie being told to the masses by way of the Catholic church, and through your literature, I’ve become a true Seventh-day Adventist believer. I now keep God’s Sabbath day holy instead of Sunday! May God bless you and His SDA church around the world! Jessup, MD

upon the paths prepared for the ransomed of the Lord. There the wide-spreading plains swell into hills of beauty, and the mountains of God rear their lofty summits. On those peaceful plains, beside those living streams, God’s people, so long pilgrims and wanderers, shall find a home. [Praise God!] Pain cannot exist in the atmosphere of heaven. There will be no more tears, no funeral trains, no badges of mourning. ‘The inhabitant shall not say, I am sick: the people that dwell therein shall be forgiven their iniquity.’ Isaiah 33:24. We shall see Him [our Father] face to face, without a dimming veil between. We shall stand in His presence and

behold the glory of His countenance. . . All the treasures of the universe will be open to the study of God’s redeemed. Unfettered by mortality, they wing their tireless flight to worlds afar – worlds that thrilled with sorrow at the spectacle of human woe and rang with songs of gladness at the tidings of a ransomed soul. With unutterable delight the children of earth enter into the joy and the wisdom of unfallen beings. . . The great controversy is ended. Sin and sinners are no more. The entire universe is clean. [Praise God!] One pulse of harmony and gladness beats through the vast creation. From Him who created all, flow life and light and gladness, throughout the realms of illimitable space. From the minutest atom to the greatest world, all things, animate and inanimate, in their unshadowed beauty and perfect joy, declare that God is love.” GC 662-678. **Praise God friend. Praise God!**
